

## GREENFIELDS BY THE BROTHERS FOUR

Once there were green fields kissed by the sun  
Once there were valleys where rivers used to run  
Once there were blue skies with white clouds high above  
Once they were part of an everlasting love  
We were the lovers who strolled through green fields

Green fields are gone now, parched by the sun  
Gone from the valleys where rivers used to run  
Gone with the cold wind that swept into my heart  
Gone with the lovers who let their dreams depart  
Where are the green fields that we used to roam

I'll never know what made you run away  
How can I keep searching when dark clouds hide the day  
I only know there's nothing here for me  
Nothing in this wide world, left for me to see

Still I'll keep on waiting until you return  
I'll keep on waiting until the day you learn  
You can't be happy while your heart's on the roam  
You can't be happy until you bring it home  
Home to the green fields and me once again
